

# Happy New Year!

---

Happy New Year! We made it through one of the most difficult economic periods in recent history. Although none of us are out of the woods yet, hopefully we can close the chapter on 2009 and experience better times in 2010. In 2010, GTS plans to introduce significant advancements for retailers and wholesalers in our core markets - Automotive Replacement Glass, Retail Flat and Commercial Glazing. We are very focused on our mission to "provide solutions that help our customers achieve their goals for growth and profits". In 2010, GTS will put that mission into action for your business.

We would love to see you at this upcoming event: Glass Expo Midwest 2010 Chicago. For a free pass visit <http://www.glassexpomidwest.com/kit/pass/> and use UserName: gems2010 and the Password: success. On the next screen enter Company: GTS Services and Booth #: 11.
